Student Successes

The Equality Challenge Unit (ECU)’s Athena SWAN Charter (https://www.ecu.ac.uk/equality-charters/athena-swan/) was established in 2005 to encourage and recognise commitment to advancing the careers of women in science, technology, engineering, maths and medicine (STEMM) employment in higher education and research. The Faculty of Medical Sciences has a Silver Athena Swan award.

We use this section of the website to celebrate the successes of all our students, both male and female.

Congratulations to the following student who won the ASME Intercalation Prize in September 2019: -

- **Miss Emma Farrington (Full-Time Masters)** – Emma submitted a 3,000 word piece of her dissertation, that she submitted on this course, for the prize.
